## Usability questionnaire: System Usability Scale

Ask the tester to score the tested functionality on a 1-5 scale. Ideally, have him/her fill in the [SUS](#)(System Usability Scale) short survey: Printable and onscreen template can be [found here](#).

1. I think that I would like to use this system frequently.
2. I found the system unnecessarily complex.
3. I thought the system was easy to use.
4. I think that I would need the support of a technical person to be able to use this system.
5. I found the various functions in this system were well integrated.
6. I thought there was too much inconsistency in this system.
7. I would imagine that most people would learn to use this system very quickly.
8. I found the system very cumbersome to use.
9. I felt very confident using the system.
10. I needed to learn a lot of things before I could get going with this system.
